## Corporate Worship Reflection

On Saturday, February 15 between 9 am and 12 noon a theological reflection will be held in relation to our Corporate Worship. Pastor Dave will lead those attending through a reflective pastoral cycle the purpose of which is to enable us to listen to God and hear His voice and to discern His further will as we look to have Real Depth in our Worship. This is not a workshop, seminar or planning meeting in which to air views or address practical matters; linking in with the Worship Hub is the appropriate route for such matters. In this event we will be collectively listening to God and seeking His will. If you are involved in leading worship, speaking, prayers or in particular musical worship then this is an event for you. If you have any questions or would like further information please speak with Mrs. Trish Reimer, Mrs. Debbie Hall or Pastor Dave. Written material to guide us through the event will be available on the day and to those attending prior to that date if requested by providing an email address to Lory in the Church office.

## Prayer 2020

In connection with our overall theme of Real Depth this year we will be looking to develop and grow our prayer life as a Church. One aspect of this will be a monthly Prayer time together. Each meeting will focus on a different style and type of prayer to help us all grow. We will vary the date and time each month so as not to immediately rule out specific demographics or groups by having a fixed day and time. With a changing date and time we aim to open these meetings to most of the congregation some of the time. The first prayer event will be "Morning Prayer" on Tuesday, February 18 at 9 am. This prayer meeting will follow an Anglican liturgy but will include a time of open and led prayer. For further information please speak with Mrs. Helen Barnes or Pastor Dave.
