REAL GOD

Heavenly Father, we come before you today, to give you thanks and praise for your presence in our lives. In Your Word, made flesh, Jesus our Saviour, you give us a living example of your great love and mercy towards us. Grant that we, armed with the blessing of scripture, may live out our lives, not just reading but acting out our faith in true worship of you. Thy Word is indeed a lamp unto our feet and a light unto our path. Help us persevere in daily devotions so that our journey in the light brings you glory. AMEN

St. Aidan's

We lift up to you Lord, all those who work in health care professions, remembering at this time, those who attend to the needs of our bodies, minds and spirits: physicians, nurses, rehab therapists, technicians, mid-wives, and all those who assist and support. We know that you are the great healer Lord, and we acknowledge the gifts you have given our health workers. Support and protect them as they deal with a constantly changing landscape. Encourage them to be unified in their desire to help others to be restored to wholeness. In your mercy, Lord.

REAL LIVES

We lift up all those trying to improve their lives physically and economically against very trying circumstances. We pray for your mercy on the souls lost this week trying to do just that on our southern border and comfort for their families. We pray for restoration in families separated by distance and ideology. Father God you are the answer to all of our questions. Guide and direct our actions in support of personal and global restoration. Lord, in your mercy.

Missions

For our friends in Leaf Rapids who are now without a health clinic: we ask that it will soon be able to be staffed and up and running. Please protect them physically for this time. Strengthen them with faith and hope.

For those ill and in need, in hospital or homebound

Heal and restore all on our prayer lists, Lord. We pray especially those known to us and for those known to you alone. Today we ask your healing upon all for whom our prayers are desired. To you, with confidence, we commend them to your care.

For those whose loved ones have died, and for those whose anniversaries of death occur at this time.

(Names, if known)

Lord, in your mercy. Hear our Prayers.
