For all those who struggle with rising costs of food, transportation, and medicines, that you will provide abundantly for them.

Heavenly Father, we ask that you continue to strengthen and uphold Pastor Abbey as he serves this hurting community. Provide him much wisdom, as he serves as both Pastor and youth worker in the community. We ask that you protect his family back in Nigeria and that you provide a breakthrough for them to be able to come here.

Lord Jesus, we pray for Harriet who is currently in hospital. May you bring her much peace and comfort during this time and may your witness be seen through her life and faith.

Holy Spirit, we ask that you go ahead of the men's team from St. Aidan's who will be visiting the community during the May Long weekend. May you prepare hearts and minds for a wonderful time of community building and ministry. Amen.
