

**Real God:**

Dear Father, we praise and magnify your Holy Name. Regardless of our place or circumstance, our wealth, power or prestige, we are all equal in your sight. Guide our thoughts, hearts and prayers as we strive to live like Jesus every day. Encourage us to bless others as we have been blessed, to reach out with Christ's love to help a brother or sister in need. We are reminded daily that we have earned nothing that you did not provide; you are the Lord of heaven and earth and all that is in it. We bless you and thank you for your mighty provision. Amen

The people of the Parish of the Church of the Good Shepherd, Winnipeg - The Rev. Canon Jennifer Sisson, Incumbent, the Rev. Deacon Di Panting, Honorary Deacon Assistant and their companion parish of St. James, Buwere, The Rev. Canon Davidson Lubuulwa Waiswa, Rector.

Father, uphold and protect your priests and ministers and all whom you have called to service. As they lead the faithful in the truth of your word, bless them and give them hearts to love and serve you.

In St. Aidan's we lift up to you, Lord, those whose mission it is to serve others. We remember especially those who work in essential services, health care and personal care homes, and who find their lives and work changing as the protocols surrounding Covid-19 are easing. Bless the peacemakers who show your love and respect to those who have different views of these changing times. Provide gainful work for those who may be misplaced.

**Real Lives**

We pray for the people of Ukraine, those defending their country, those who are taking the children and elderly and infirm to safety in Poland, Hungary, Slovakia, and other nearby countries. We pray for a

truce, a ceasefire, an end to this humanitarian crisis. Lord God thank you for the grace and compassion you have given to those host countries and bless them with continued provisions and help from around the world. Jesus came so that we would no longer be foreigners and strangers, but one family of God with Christ as the chief cornerstone.
