For those in our parish who are in sales, retail & in the hospitality industry, please provide good work and sufficient income.

**Real Lives:**

Our entire world is in dire need of your love, grace and mercy. For the war being waged against the Ukraine, for the country of Afghanistan being overrun by the Taliban, for the drug wars in south America and for the civil war in Yemen just to name a few. This must break your heart and grieve you. Have mercy on us Father, help us to be peacekeepers in our own small spheres.

**Missions:**

In St Aidan's Christian School, we ask you to bless us with more families who enroll their children there. Please encourage current families to submit their registration forms for the new school year coming up. Thank for our terrific staff there, pray for their health in body, mind & spirit. Energize them for these last few months. You know, Father, that there are some student behaviours that are hard to deal because they are going through very tough situations. Give the staff grace for these moments, comfort for the students. We ask for your Holy Spirit's healing to flow into their lives. We also ask for your guidance as administration plans for the next school year and the fund-raising project.
