Thank you for our many Small Groups meeting on Zoom. We pray that technology brings us closer together in these trying circumstances. Please bless the small groups with new people. In particular, please be present when a small group is in conflict or turmoil.

We ask that you bless the Sunday School attendees. Please give patience to the teachers and raise up additional volunteers. We remember our Youth and pray that they look to Richard for care and guidance.

REAL LIVES

During Covid-19 we pray for all essential workers that God will protect their health as they put themselves at risk in service to others. For those most susceptible to the virus, we ask that God will protect them from illness and

surround them with the peace of knowing that they are loved and cared for beyond measure.
